- Must follow posted speed limit unless otherwise restricted on permit.
 - Original permits shall be carried in vehicle at all times and are VOIDED if altered.
 - Trip permits valid for 72 hours. VOID upon leaving the state.
 - A county or city permit may be required in addition to this permit for travel on county roads or city streets.
 - Permittee is responsible to determine clearance of structures.
 - Permittee is responsible to check the Construction Report.
 - Permittee must comply with all State and Federal Motor Carriers Safety Regulations.
 - Permittee must comply with all Laws and Administrative Rules 18.8.101 thru 18.8.1506.
 - If this permit states page 1 of 2, the permit is not valid without the additional pages and any applicable attachments.
1. Continuous travel: Travel allowed during hours of darkness, weekends, holidays red route highways providing dimensions do not exceed: 10 feet in width; 15 feet 6 inches in height; 110 feet in length. Lights must be displayed full length and width. Travel allowed daylight hours, 7 days a week, except on holidays, holiday weekends and red routes if dimensions exceed 10 feet wide, 15 feet 6 inches high, 110 feet long, but do not exceed 18 feet wide, 120 feet long, 18 feet high. For emergencies involving railway crossings/tracks, for Burlington Northern Santa Fe, immediately call 1-800-832-5452; for Montana Rail Link, immediately call 1-800-338-4750 for assistance.
 2. The permittee must check road conditions for any road closures, width restrictions or detours that may be in place. The contact information is <http://www.mdt.mt.gov/travinfo/> or by calling 511.
 4. Red route highways: Travel is not allowed after 3:00 p.m. on Friday until sunrise on Saturday and from 12:00 noon on Sunday to sunrise on Monday. If dimensions exceed; 10 feet wide or 110 feet long or 15 feet 6 inches high or 55 feet long - single unit. Travel is not allowed after 3:00 p.m. on Friday until sunrise on Monday if dimensions exceed; 18 feet wide or 120 feet long or 17 feet high.

39. The permittee is responsible for checking the road conditions before and while travelling in Montana. Travel during adverse conditions: when winter road conditions are encountered, the company or the operator shall discontinue operations, and operations shall not be resumed until the conditions improve. Winter road conditions include snow covered; snow packed and icy; high wind warnings; or blowing and drifting causing reduced visibility. No travel is allowed when a route has been placed under severe driving conditions as determined by the Department of Transportation. If winter road conditions are encountered the load must move off the roadway until conditions improve. When the load is off the roadway under these conditions, when possible, the load must be parked outside of the MDT right of way or outside the 30 foot safe zone from the highway pavement outside the shoulder line. The Department of Transportation road report is available between November 1 and May 1, 24 hours a day by calling 511 while in Montana or (800) 226-7623 and on the Department of Transportation internet site at [http://www.mdt511.com./](http://www.mdt511.com/)

Delivery Type : PDF

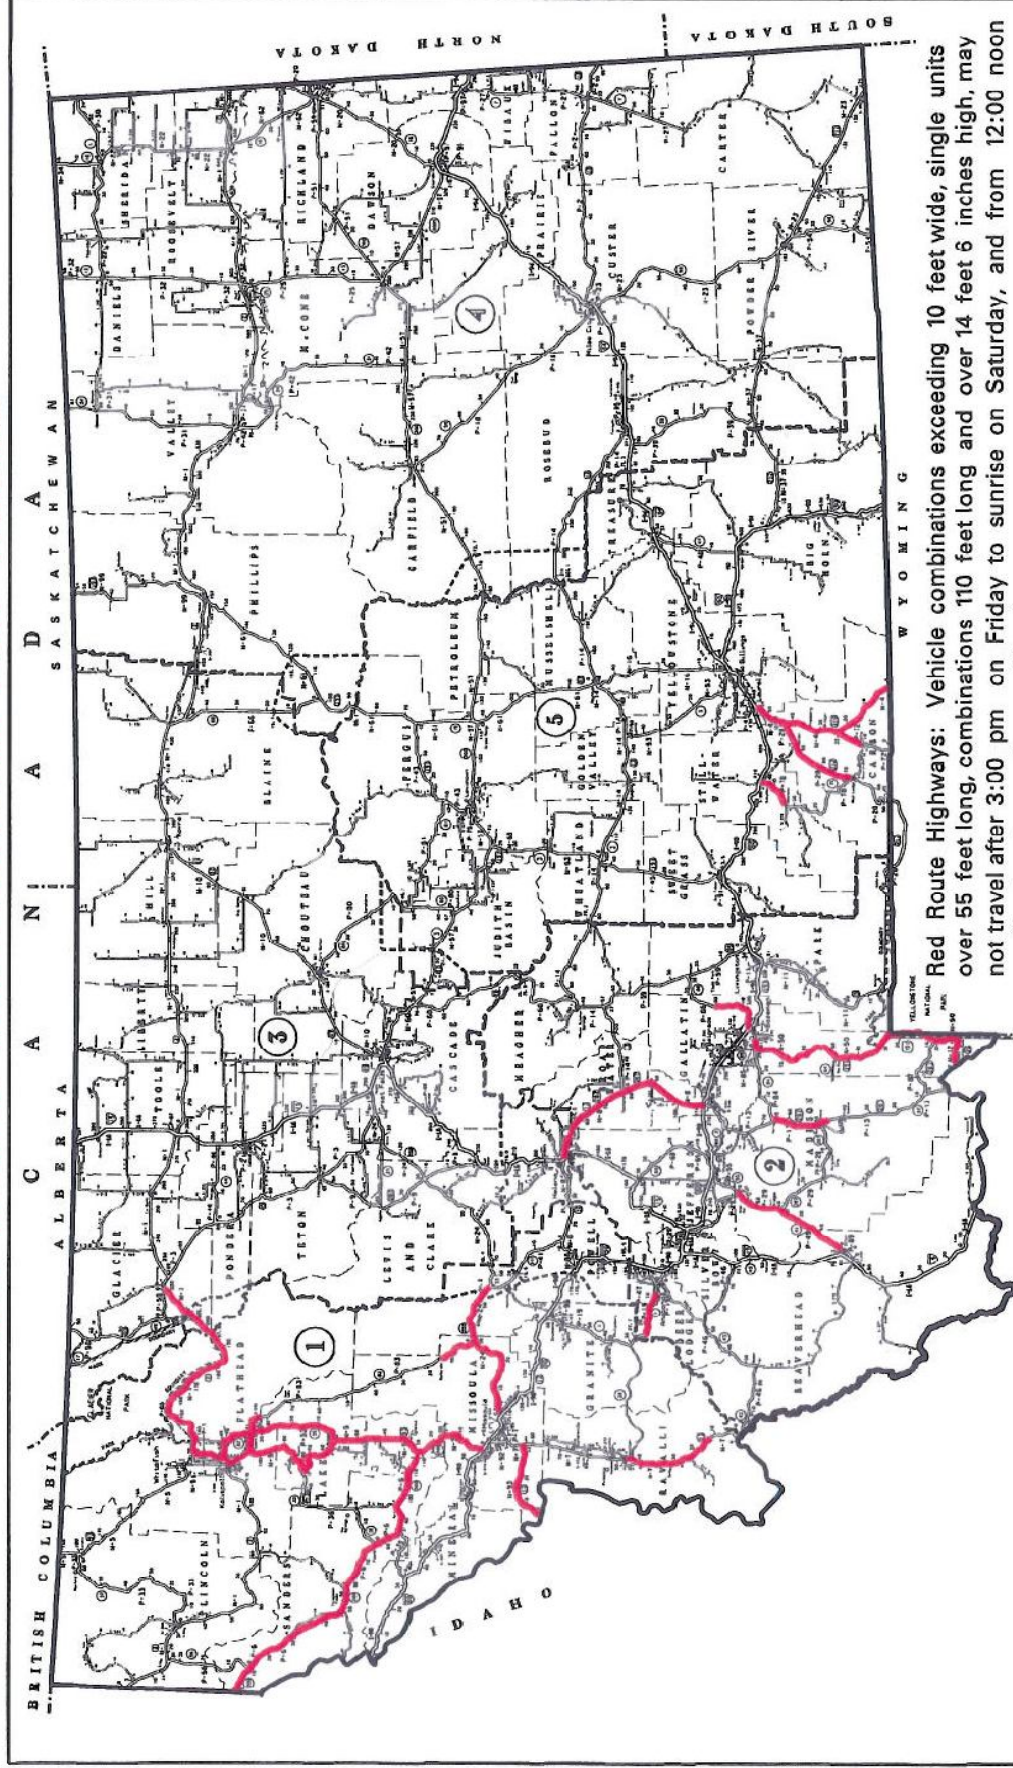

Issued By : **MT55924 - ROAD RUNNER PERMITTING LLC**

Approved By : **Online**

Permittee agrees to comply with all laws and regulations, to take reasonable safety precautions, and to be responsible for all personal and property damages whatsoever. In consideration of being granted this permit, the permittee agrees to indemnify the Department for all damages to highways.

Permittee By : _____
