Permit Restrictions

All vehicles traveling Oklahoma turnpikes with loads in excess of 9-6 width shall be equipped with a Pikepass and utilize appropriately sized pikepass lanes.

Commercial Trucks are required to be registered for at least the amount of weight carried or the maximum of 90,000 lbs.

If your route traverses City or County roads, D.P.S suggests you contact the respective City Street Dept. and/or County Commissioner and reference any possible restrictions or obstacles within their jurisdiction that may impact your ability to travel. Permit holders are allowed a five (5) mile egress from city or county roads displayed on the permit to accommodate local restrictions which may be imposed by local authorities.

Must maintain minimum speed on turnpikes and interstates.

Travel is discouraged and may be denied during periods of inclement weather such as high winds, decreased visibility, heavy rain, snow, sleet, ice, etc.

Standard Restrictions

- #1 All overweight & oversized vehicles shall bypass load posted bridges if weight is in excess of the posted limit.
- #2 It is the responsibility of the permit holder/operator to contact all utility companies which may be encountered or impacted during the move.
- #3 All OS/OW loads shall be non-divisible.
- #4 Oversized loads are not allowed movement one half hour after sun down to one half hour before sun up.
- #5 Oversized loads shall not travel on specific holidays.
- #6 No oversized movement is allowed on the Interstate Highway System between the hours of 7:00 am & 9:00 am or between 3:30 pm & 6:30 pm in Tulsa, Cleveland and Okla. Counties, Mon.- Fri.

Legal Agreement

I, as the owner, operator and/or authorized agent, certify the information shown on this permit is true and correct. I attest to the fact this vehicle and/or load will be in strict compliance with all state statutes, rules and regulations governing its movement. I understand this permit will be deemed void if any laws or restrictions are violated.

This permit must be in the drivers possession and the driver has the ultimate responsibility to avoid hazards and unsafe conditions.
