Detour all construction and low overhead structures; proof of insurance is required. This permit is granted subject to all Kansas Statutes Annotated and the Rules and Regulations of the Kansas Department of Transportation, the Kansas Department of Revenue, the Kansas Corporation Commission, and the Federal Motor Carrier Rules and Regulations. Call 511 for Kansas weather and road conditions.

K-TRIPS

Permit Special Items Required

Any portion of the route on county roads or city streets will require approval and/or permitting by the appropriate local authority. The Motor Carrier shall have full responsibility for contacting the local authority prior to the move, obtaining their approval and a valid permit, if required.

Permit Condition List

Special Conditions

Prior to moving the load, the carrier shall coordinate any special utility and railroad requirements with any utilities and railroads encountered on the route. If overhead utilities, or railroad crossing, or signaled cantilevers, or locally owned overhead traffic signals need to be moved, the carrier shall contact all utilities or railroads or local authorities prior to moving.

Travel - Oversize and/or Overweight loads shall not be transported when visibility is less than one-half mile, or when conditions of moderate to heavy rain, sleet, snow, fog, or smoke exist, or when highway surfaces are slippery due to ice, packed snow, or rain. Contact the K-TRIPS Office at 785-368-6501 or go to www.TruckingKS.org for questions.

CROSSING - The route does not include ANY travel on any state maintained highways not included in the route on this permit. This includes crossing state maintained highways.

TIME RESTRICTIONS - The following time restrictions shall apply to all types of permits. Night movements shall be allowed for loads that are only overweight. Permits for over-dimensional loads shall be restricted to daylight movement unless the secretary finds that an emergency exists, in which case a permit for nighttime movement may be issued for the special condition, as the secretary deems advisable. Carriers transporting oversize or overweight loads may move every day of the year, including holidays.

RAILROAD CROSSINGS For incidents at railroad crossings contact number posted at crossing.

This permit does not allow movement within the city limits of any city with a population in excess of 10,000 people, between the hours of 7:00 A.M. and 9:00 A.M. or 4:00 P.M. and 6:30 P.M., excluding weekends and recognized holidays.

The carrier is required to contact Lyon County at (620) 340-8220 if they will be exiting the State highway system to use local routes.
