Comments

REPLACING VOIDED PERMIT # 2465583///CUSTOMER CHANGED THE LOAD

Issuance of this permit is not assurance that bridges and structures are capable of carrying the vehicle and load for which this permit is issued, nor that the clearance will accommodate the height for which this permit is written. The permittee assumes full responsibility for any and all damages to roads, bridges, persons and private property resulting from this movement. Permit is valid for daylight hours only with no movement on holidays except as authorized and is not valid for movement during periods of significantly reduced vision and/or inclement weather.
