K-TRIPS

Permit Special Items Required

Any portion of the route on county roads or city streets will require approval and/or permitting by the appropriate local authority. The Motor Carrier shall have full responsibility for contacting the local authority prior to the move, obtaining their approval and a valid permit, if required.

Permit Condition List

Special Conditions

Prior to moving the load, the carrier shall coordinate any special utility and railroad requirements with any utilities and railroads encountered on the route. If overhead utilities, or railroad crossing, or signaled cantilevers, or locally owned overhead traffic signals need to be moved, the carrier shall contact all utilities or railroads or local authorities prior to moving.

Travel - Oversize and/or Overweight loads shall not be transported when visibility is less than one-half mile, or when conditions of moderate to heavy rain, sleet, snow, fog, or smoke exist, or when highway surfaces are slippery due to ice, packed snow, or rain. Contact the K-TRIPS Office at 785-368-6501 or go to www.TruckingKS.org for questions.

CROSSING - The route does not include ANY travel on any state maintained highways not included in the route on this permit. This includes crossing state maintained highways.

TIME RESTRICTIONS - The following time restrictions shall apply to all types of permits. Night movements shall be allowed for loads that are only overweight. Permits for over-dimensional loads shall be restricted to daylight movement unless the secretary finds that an emergency exists, in which case a permit for nighttime movement may be issued for the special condition, as the secretary deems advisable. Carriers transporting oversize or overweight loads may move every day of the year, including holidays.

RAILROAD CROSSINGS For incidents at railroad crossings contact number posted at crossing.

This permit does not allow movement within the city limits of any city with a population in excess of 10,000 people, between the hours of 7:00 A.M. and 9:00 A.M. or 4:00 P.M. and 6:30 P.M., excluding weekends and recognized holidays.

****Alert 13568 Road Construction WILSON CO US-400 Bridge repair work, currently replacing 1 concrete pre-stressed concrete girder on north side of bridge carrying US-75 traffic over US-400. Below is the traffic control pattern under this phase of bridge repair work: 1 US-75 traffic is reduced to 1-lane traffic on the south side of the bridge, and being controlled by temporary traffic signals through the work zone. 2 East Bound US-400 traffic wishing travel to Neodesha or get onto NB US-75 are currently being detoured east onto K-47 at the US-400/K-47 JCT at Fredonia, thence south onto US-75 at the K-47/US-75 Jct. No right turn movement is being allowed from the us-400 exit ramp at the US-75/US-400 Interchange to get onto NB US-75 during this construction phase. Exit ramp is signed for no right turns and being controlled by temporary traffic signals. 3 WB US-400 traffic is being detoured up the US-400 exit ramp, across US-75 lanes and down US-400 entrance ramp since US-400 below the bridge.**

****The city of El Dorado requires the mover to call local authorities at (316) 322-4398 or (316) 320-1294 at least 1 hour before entering the city.****

****Alert 13868 Ramp Closure SALINE CO I-135 NB Occurrence located between Ref Post 93 and Ref Post 93 Exit 93 will be shut down due to light tower repair if needing this ramp you will need to use exit 92 (Crawford street).****
