Permit No: 2043349

Permit Type: Single Trip

152

Standard Permit Requirements

This permit is only valid for highways under New York State Department of Transportation jurisdiction. Permission must be obtained from appropriate authority when traveling over NYS Thruway, NYS Bridge Authority bridges, Parkway, County Roads, Town Highways, and City (including New York City) or Village Roads.

Permissible hauling days are any normal working day, Monday - Friday, during daylight hours between one-half hour before sunrise & one-half hour after sunset when weather conditions are favorable, unless otherwise noted on permit. No movements are allowed at night or Sundays unless authorized on permit. Law enforcement officers are authorized to modify allowed travel times.

No Movements are allowed on the following holidays, unless authorized on the permit; New Years Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day & Christmas Day or from 12 noon the day preceding Memorial Day, Independence Day, Labor Day, Thanksgiving Day & Christmas Day. The day preceding means any normal working day, Monday through Friday.

All permitted moves must comply with Part 154-1 title 17 of the New York Compilation of Code, Rules and Regulations.

Permittee is responsible for checking the OS/OW Routing Map located on the NYS Department of Transportation's Internet website @ www.nypermits.org for any Travel Restrictions that may be on any routes OR within the approved radius or blanket areas of travel prior to the start of each permit move. Printable Travel Restrictions are also located on the website under 'Special Hauling' and 'Restrictions'.

Standard Permitted Vehicle and Load Requirements

Maximum speed shall not exceed 55 MPH.

An amber revolving light shall be located on the top of the towing vehicle, visible in a 360 degree rotation and shall be operational at all times.

Overdimensional permitted vehicles / loads shall display OVERSIZE LOAD warning signs at least 7 feet long and 18 inches high with letters at least 10 inches high, located front and rear.

Over-dimensional permitted vehicles shall display red or orange fluorescent flags at least 18 inches square, on staffs, located at the extremities of the vehicle / load.

A vehicle may carry more than one (1) item as part of the permitted load, provided that it matches the load description on the permit and items are not stacked to create a height exceeding thirteen feet six inches measured from bottom of tires to top of load, or loaded side-by-side to exceed width of eight feet six inches, or loaded end-to-end and vehicle, inclusive of load, exceeds length authorized under the NYS Vehicle & Traffic Law, Title 3, Article 10, Section 385.3 or combination of vehicles, inclusive of load, exceeds length authorized under the NYS Vehicle & Traffic Law, Title 3, Article 10, Section 385.4.

When permit allows axle weights, axle grouping weights, or gross weight to exceed those authorized under the NYS Vehicle & Traffic Law, Title 3, Article 10, Section 385.5 through Section 385.13, the load may not constitute more than one (1) item
