This permit relates to State Highways only. This permit covers properly registered vehicles only and shall be kept with the moving load at all times. This permit does not authorize travel over or across any bridge posted for a weight that is less than the weight of said vehicle with load. If this permit is issued for an overweight load, it is not valid unless all axles, including the steering axle(s), have brakes in good working condition. No loads shall be moved under this permit during a snow or ice storm, or when there are areas of hard packed snow or ice on the surfaces of the roadway. Skid chains shall be carried in the vehicles and shall be installed wherever necessary. This load should be firmly chained to the truck, trailer or semi-trailer. For all over dimensional loads, signs and red warning flags shall be affixed to all extremities. For all over dimensional moves made during the hours of darkness, a flashing amber light shall be in operation above the highest point of the vehicle and visible from the front and rear of the vehicle. No movements are allowed on the following holidays; Memorial Day, Thanksgiving Day. No movements are allowed between noon the day preceding and noon the day following these holidays; New Year's Day, Independence Day, and Christmas. Otherwise, travel is allowed on State Highways from Monday morning at 12:01AM to noon on Saturday, and Sunday morning from 12:01AM to noon.

THIS PERMIT COVERS ONLY THOSE ROUTES OR SECTIONS OF ROUTES DESIGNATED AS STATE HIGHWAY. THIS PERMIT MAY BE SUSPENDED OR REVOKED BY THE DEPARTMENT FOR VIOLATION OF ITS TERMS AUTHORIZED.
