# North Dakota Highway Patrol

Official Permit

**PERMIT # 2018041487**

Issued By: 888 - w. user

38-06-04-01. NDAC. Liability of permit applicant: 1) The applicant or permittee, as a condition for obtaining an oversize or overweight, or both, permit, shall assume all responsibility for accidents, damage, or injury to any persons or damage to public or private property caused by the movement of any oversize or overweight, or both, vehicle or load covered by the permit while upon public highways of the state. 2) The applicant or permittee agrees to indemnify and hold harmless the North Dakota Department of Transportation, the North Dakota Highway Patrol, their officers, and employees from any and all claims resulting directly or indirectly from the movement of an oversize or overweight, or both, vehicle or load on any public highway of the state of North Dakota.

PERMISSION FOR THIS MOVEMENT IS HEREBY GRANTED subject to compliance with provisions of North Dakota laws of the State of North Dakota and under their terms, conditions and restrictions contained herein, and subject to revocation upon noncompliance.

**Your vehicle/load exceeds legal height limits. Carefully review the driving directions for specific instructions to avoid overhead structures.**

**The NDP permit system authorizes movement on state, interstate, and U.S. roadways only. Contact local authorities for travel on local roadways. Speed restrictions listed under the driving directions supersede all other speed requirements.**

## Remarks

## Requirements:

1. Require 18" x 18" red flags, front & rear, traffic side of load.
2. No travel when inclement weather prevails, if visibility is poor, or highway is slippery.
3. No travel in hours of darkness. Movement must occur within 1/2 hour prior to Sunrise through 1/2 hour after Sunset.
4. Check all vertical clearances. Communication lines may be as low as 15'6", signal lights 16', and flashing lights 17'.
5. Allow all traffic to pass.
6. No travel on shoulders of road.
7. All vertical clearances are the responsibility of the permittee.
8. Towing vehicle must have 2 mirrors which reflect a rear-view of 200 feet to the driver.
9. For road conditions: [www.dot.nd.gov/travel-info.html](http://www.dot.nd.gov/travel-info.html) or call 511.
10. Truck parking and rest areas are not to be used as staging areas for dollying down load.
11. Speed not to exceed 40 MPH on all highways (excluding I-94 & I-29) when the GVW exceeds 120,000 lbs or an axle group is more than 5,000 lbs over legal weight.
12. Must display a 12" x 60" 'OVERSIZE LOAD' sign front and rear.
13. Nighttime travel allowed if 10ft wide and 120ft long or less and when properly lighted (Height must be legal)
