#### GENERAL RESTRICTIONS

The permit is required to be issued by Tennessee Law. The permittee is hereby advised that information supplied herein is not necessarily accurate and is advisory only. Therefore, it is to be used at the sole risk of the permittee, without warranty of accuracy. The recipient is classified as a bare licensee whose duty it is to assume the risk involved in using the roads herein designated.

In accepting this permit, the permittee acknowledges that the permittor is not a guarantor of the safe passage of vehicles. Accordingly, it is the positive duty of the permittee to measure all clearances of highway structures, both laterally and vertically, prior to the passage of the vehicle through their location.

Permit inoperative if road surfaces are affected by ice or snow.

Movement to be marked with signs and flagged in accordance with rules and regulations adopted by this department. All over-width movements shall observe traffic conditions and shall when traffic begins to accumulate behind the movement, pull off the road and allow traffic to pass. Failure to observe this highway courtesy shall be cause for the state enforcement officers to declare permit void.
